Completing the Directors/Trustees and Like Officials Worksheet

Public information

Information from this column is available to the public.

Enter the last name, first name, and initial of the director/trustee or like official.

Term:

Start date: Enter the date the person started in the position.

End date: Enter the date the person left the position. If the person has not left the position, leave this field blank.

Position: Enter the title of the position being held. Each position is generally identified in an organization's governing documents (for example, president, treasurer, secretary). A registered charity may have other officials that have governing powers similar to those of a director or trustee. For example, a religious leader with some governing authority would be considered a like official.

At arm's length with other directors: Tick **Yes** if the person is at arm's length with all other directors/trustees or like officials.

At arm's length is a concept that describes a relationship in which two persons act independently of each other and are not related. Related persons are individuals who are related to each other by blood, marriage or common-law partnership, or adoption. It is also possible that individuals not related by a family connection, but by close business relations, may still be considered not at arm's length. For more information on arm's length, go to canada.ca/charities-giving, select "A to Z index of topics for charities," search for "Charities and giving glossary" and see "arm's length."

Other circumstances in which we are required or permitted by law to disclose certain records include a request made under the authority of the Auditor General Act, a warrant issued by the Canadian Security Intelligence Service Act, and enquiries from the Department of Finance Canada for information to form or evaluate fiscal policy.

Residential address: In the proper spaces, enter the full home address, including the street number, street name, city (which could be a town, village, or other municipality), province or territory, and postal code of each director/trustee or like official.

Phone number: Enter the telephone number at which the person can be reached during the day.

Date of birth: Enter the person's date of birth so that the CRA is better able to identify the individuals who are responsible for managing the charity.

If the director/trustee or like official lives outside the country, enter the person's full mailing address, including the country.
